**Initial Report**

Officer P07 DEGROOT, SCOTT A. Date 02/06/2017

**Julia Eickmeier called the police station and requested that we do a welfare check on her daughter, Madeline Kramer at 1628 1st St. in Peru. Madeline is with her father, Kevin Kramer at his parents house. She advised Madeline has not been checked on by an outside source recently.**

**Eickmeier currently has an active Order of Protection that was served 01/26/17 with Madeline being the protected person. Remedy 1 states Eickmeier is prohibited from physical abuse, harassment, willful deprivation, stalking, intimidation of a defendant or interference with personal liberty of protected person (s).**

**I contacted the on-call Ass't States Attorney and spoke with L. Sienna who advised to conduct the welfare check and to complete a report and send it over for review for a possible violation of order of protection.**

**I responded to 1628 1st St. All the lights were off in the house. I knocked on the side door and no one answered. It appeared everyone was sleeping. I cleared from the scene. I completed a Felony Report/Investigation Receipt and attached it to this report.**
